**DETAILED ACTION**

***Continued Examination Under 37 CFR 1.114***

1. A request for continued examination under 37 CFR 1.114, including the fee set forth in 37 CFR 1.17(e), was filed in this application after final rejection. Since this application is eligible for continued examination under 37 CFR 1.114, and the fee set forth in 37 CFR 1.17(e) has been timely paid, the finality of the previous Office action has been withdrawn pursuant to 37 CFR 1.114. Applicant's submission filed on 8/27/2008 has been entered.

***Allowable Subject Matter***

2. Claim 5 is allowed.
3. The following is an examiner's statement of reasons for allowance: Applicant has amended the claim to specifically claim what the claimed roll printing process comprises. As discussed in applicant's arguments received on 8/27/2008 this particular method of manufacturing a lenticular lens sheet was not found in the prior art along with all of the other limitations of claim 5 and accordingly claim 5 is allowed.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
